Congratulations to our Buenaventura Section and Southern Area award winners

- Dr. Charles Seabury, for his leadership contributions to the robotics teams of Conejo High Schools
- Geoff Lenart, for his leadership contributions to reorganize and rebuild the IEEE Los Angeles Council

Chuck and Geoff have received their awards at our October Section Speaker / Dinner event and at the Southern Area meeting at UCLA.

Call for Nominations for 2011 Section Officers

IEEE Members will by now have received an invitation to make nominations for Section officer positions. Please follow the process outlined in the Member e-mail.

Thanks to everyone who attended and participated in our October dinner / speaker event

Ron Dille, Warner Studios, and Tom Provencher, The Aerospace Corporation, were our panelists with Karl Geiger as the emcee. We got rave reviews for our new venue (Los Robles Greens) and lower costs. Our proceeds from the event will go to benefit scholarship recipients at next spring's National Engineering Week celebration.

Member-Get-A-Member Program

The IEEE Member-Get-a-Member (MGM) program is a peer-to-peer recruitment activity offered exclusively to IEEE members. We're pleased to recognize this month's top program participants. For program information, visit www.ieee.org/mgm.

- Steve Johnson, 2010 Section Chair
