Abstract:

The **Career Success Workshop** presents an engineer's career cycle - résumés, interviews, sustaining, and beyond. This workshop provides valuable résumé development, key interviewing techniques, and an inside look into sustaining an engineering career. There will be an open Q/A panel for any questions at the end of the workshop.

Agenda:

- 1 Résumé - Students
- 2 Résumé - Professionals
- 3 Interview Process
- 4 Job Expectations for New Engineers
- 5 Engineering Career for Experienced Engineers
