

The E. S. Gillespie Microwave and Antenna Engineering Laboratory

at

The California State University, Northridge

invites you to

An Open House

Thursday, July 9, 2015

11:00 AM - 2:00 PM

RSVP by July 6: ece@csun.edu or 818-677-2190

(Needed to arrange for lunch and parking.)

Don't miss this rare opportunity to see the laboratory's latest antenna measurement equipment upgrades, network with technical colleagues, and enjoy lunch. CSUN researchers will be on hand to describe their current work advancing the state of the art in microwave and antenna measurements and to discuss potential collaboration in antenna design, measurement, and computational electromagnetics.
